

Simple Song of Freedom

Chorus:

**Come and sing a simple song of freedom
Sing it like you've never sung before
Let it fill the air
Tell the people everywhere
That we, the people here, don't want a war.**

[last time: repeat:

**Let it fill the air
Tell the people everywhere
That we, the people here, don't want a war.**

V1)

Workers 'cross our land we hope you're listening;
Divide and conquer is an age old game,
But now it's plain to see
That greed's the enemy;
The bankers down on Wall Street have no shame.

V2)

Seven billion people can you hear me?
Much of what you read is made of lies
But speaking one to one,
Ain't it everybody's sun
To wake to in the morning when we rise?

V3)

The war on terror's oh so terrifying,
Now we kill like in a video game.
From ten thousand miles away
We select our human prey.
Drone warfare's murder by another name.
