

The Singer's Song (originally The Digger's song)

V1.
~~1.1~~
You noble singers all stand up now, stand up now
You noble singers all stand up now!
your power to maintain, sing loud and fan the flame
your voices they disdain and your persons all defame
Stand up now singers all

Your ^{h h h h h h h h h h}houses they pull down, stand up now, stand up now,
Your houses they pull down, stand up now.

V2.
Your houses they pull down to fright the poor in town,
But the gentry must come down and the poor shall wear the crown.
Stand up now, singers all.

V3.
'Gainst white supremacy stand up now, stand up now
'Gainst white supremacy stand up now
Your freedom to uphold, the racists cruel and bold
Would kill you if they could and rights from you withhold
Stand up now singers all

V4.
With evidence and truth stand up now, stand up now
With evidence and truth stand up now
The troubles with our earth, deniers would reverse
Dump carbon in the air and there's naught to quench our thirst
stand up now, singers all

V5.
He tries to build his wall stand up now, stand up now
He tries to build his wall stand up now
Since tyranny came in they now count it no sin
To ban the refugee and call them alien
Stand up now, singers all

V6.
Another order signed stand up now, stand up now
Another order signed stand up now
His orders mar the law, his aim to shock and awe
Yet from his gaping maw facts alternative do fall
Stand up now, singers all.

V7.
They called us flakes of snow stand up now, stand up now
They called us flakes of snow, stand up now
They called us flakes of snow, cold winds of truth will blow
And planted far below our dissidence will grow
Stand up now, Singers all!
